Bornhava is an early intervention and preschool program, nurturing and educating children with developmental disabilities. They partner with families to prepare students for full and productive lives through encouragement and support. Children are enrolled at Bornhava either at the center in Amherst, inclusion sites, at home, or other early childhood programs. Accredited by the NYS Education Department and Department of Health, Bornhava provides early intervention programs and preschool education to children. Learn more at www.bornhava.org.

Buffalo Niagara Professional Alliance

Formed in 2004, the Buffalo Niagara Professional Alliance is a unique collaboration amongst four western New York professional organizations to conduct multiple joint networking meetings each year for their members. The BNPA consists of APICS, BNHRA, infoTech Niagara & NAPM.

To help make this event a success, we are also in need of cash donations of any denomination, gift items for the Chinese auction, prizes for the hole contests and other raffles.
