## Mary Elizabeth Luma Memorial Scholarship Fund

A scholarship fund has been established in memory of Mary Elizabeth Luma. Mary was born on 10/30/04 with multiple physical needs. She received services from and attended Bornhava for 2 ½ years. Mary needed many adaptive pieces of equipment to help her enjoy her life both at home and at Bornhava.

Mary was a beautiful little girl who needed the loving arms of those around her to help her experience all that life offered. Mary's courage, strength, and determination was an inspiration to all whose lives she touched.

Through this scholarship fund, Mary will remain in our memories as she helps others obtain the "physical support" that will greatly enhance their lives.

The scholarship was initially funded by gifts from her family, friends, and others. It is hoped that the fund will be supported each year by continuing private donations, auction donations, and organized donations.

This scholarship fund will help provide necessary adaptive equipment and assistive devices for children who meet the specific criteria.

An application will be filled out and submitted to the committee for review. Committee members include a Physical Therapist, and Occupational Therapist, a Speech Therapist, a Special Education teacher, and members of the Luma family.

Mary taught us to recognize and celebrate even the smallest accomplishments in life. It is our hope that this scholarship fund will help other children to achieve their own successes.

Thank you for your support.
